WWW.PPDINC.COM

PPD has over 18 years experience in the drywall, painting, framing, interior/exterior trims, acoustical ceilings, and stucco business. We have completed drywall, painting, framing, all types of acoustical ceiling systems, exterior/interior trim, and stucco on custom homes, multi-family units, and numerous commercial buildings. We specialize in all types of stucco systems; stucco finishes, and stucco architectural details (foam/EIFS, cast stone, and ArcusStone). We are certified and insured installers of most synthetic stucco systems. We work with all types of drywall (interior and exterior) and also all types of drywall finishes including plasters. We can apply all types of interior and exterior paint coatings, wall coverings (FRP, acrylic texture systems, wallpaper, etc.) faux, Marmorino, American Clay, and grain applications. We are custom interior and exterior trim carpenters. We work with all types of interior and exterior trim products. We can install all types of acoustical ceiling systems and also drywall suspended systems. We are highly skilled framers who can work with all types of applications including exterior, interior, and trusses. We install all types of insulation. We are dedicated to producing a very high quality product at a respectable pace. Each of our scopes has specific foreman with over 15 years of experience in each trade. We use the highest quality products and the most advanced machines available. We work side by side with the companies that supply our products and machines to match what the customer wants and properly advised them what they need. Our owner and employees all have the same goal to give the customer a first class product at all times! We are equipped and staffed to complete any size project. We are a M/WBE, and SDB owned business, certified in the Orange County, Osceola County, and the State of Florida. PPD is an OSHA certified company. PPD has a joint venture with Acousti Engineering aka PPD/ASF, JV, LLC. The JV is registered with the state of Florida and the federal government. The JV's combined scopes qualify 100% under our certifications. The JV can handle and bond any size job. Company insurance certificates are available upon request. PPD would appreciate the opportunity to bid on all of your drywall, framing, painting, trim, acoustical ceiling and stucco needs. Please feel free to contact any of our references below.

Thank you,

Leesa Friedman
President
